ADC*E Student Awards '26

14TH AUGUST

**WELCOME TO THE
3RD EDITION OF ADCE
STUDENT AWARDS**

ADCE's first young competition open to students and recent graduates across creative disciplines — The youngstars' rise to greater constellations.

For the second time, ADCE opens its doors to all young creatives—members and non-members—providing the new generation of talents the opportunity to gain visibility and make a strong start in their professional careers.

ELIGIBILITY

Eligible

- Entrants must be 18 or older.
- Entrants must be currently enrolled in an undergraduate university programme, graduate programme, portfolio programme* or recently graduated no earlier than June 2025.
- Work must have been created during your student career – this includes coursework or personal projects.
- Participants do not have to be a member of the Art Directors Club of Europe in order to participate in the ADCE Student Awards.

Note:

*If you are part of a non-traditional portfolio program or short-course, please reach out to awards@adceurope.org to confirm your eligibility.

Non-Eligible

- PhD Candidates are not eligible.
- Students with more than two years of professional experience in the advertising, marketing, design, or communications industry are not eligible.

Team Information

Teams may apply for the competition. There is no limit on the number of students per team. All team members should meet the above criteria (*excluding any faculty advisors*).

Team members may be from different schools or programs, but only one school can be listed as the Primary Credit. Additional schools should be listed under “Secondary Credits”. Primary and Secondary schools will split points in the [Global Creative College Rankings](#).

PERKS

Trophy

All Golds, Silvers, Bronzes and YoungStar winners will get an ADCE Student Awards trophy.

Visibility

Visibility of the winning project on ADCE's and [The One Club for Creativity showcase](#) and international media.

Global Rankings

All winners and shortlists will sum up points in [The One Club's Global Creative College Rankings](#).

ADCE Creative Week

Finalists will receive special discounts for the Students Gala and Portfolio Review during ADCE Creative Week in Barcelona.

ADCE Student Awards Jury

The YoungStar will be invited to participate as Juror for the next edition of ADCE Student Awards.

ADCE Student Awards Campaign

All winners (*Gold, Silver, Bronze*) will have the chance to be selected to design next year's ADCE Student Campaign.*

* This year's campaign was created by [Rui Marques](#), 2025 ADCE Student Awards Silver winner in the Typography category.

STUDENT CATEGORIES

1. Advertising

Creative visualization and realization that expresses craft in visual communication or artistry in writing of advertisements, executed through any medium, including: TV/film, online video, motion, direct, press, poster, or any printed or digital promotional materials (*posters, signage, displays, billboards*).

2. Architecture / Interior / Environmental Design

Spatial design involving interaction with the consumer that uses 3D tools, volumetric constructions, digital technologies and other means of visual communication (*exhibitions, spatial installations, store redesign, in-store communication, residential interiors, VR projects*).

3. Artificial Intelligence

A final product or project that was produced through the use of AI. The final product will be judged.

4. Brand / Communication Design

Visual expression of a company/brand, corporate entire identity sets, both brand new and rebranded.

5. Experiential Design

Indoor and outdoor installations using interactive technology, including design of retail and exhibition spaces, exhibition, advertising, trade stands, and digital and physical POS materials, etc.

STUDENT CATEGORIES

6. Gaming

Craftsmanship for a video game in:

- Animation of objects and characters;
- Design and interaction of all visual elements;
- Character design (*character concept, style and digital artwork*);
- Creation of the script, plot, or broader themes of the content;
- Design of the user experience or user interface;
- Placement of a brand within a video game.

7. Illustration

Illustrations used in design projects.

8. Interactive

Creative use of tools in an advertising campaign on digital platforms, as well as the use of nonstandard media, banner and Internet advertising.

9. Motion / Film Craft

The use of 3D videography, computer generated imagery (*CGI*), various types of 2D and 3D animation, as well as a mastery of visual effects.

10. Packaging Design

A single (1) or series (2-10) highlighting craft in the design or concepting of a package.

11. Photography

A single (1) or series (2-10) highlighting craft in photography.

STUDENT CATEGORIES

12. Product / Fashion Design

A single (1) or series (2-10) highlighting craft in the design or concepting of a product, (*including conceptual designs*) and skill shown in the design of a wearable or fashion item.

13. Publication Design

Multipage printed publications (*books, magazines, corporate publications, catalogues, etc.*).

14. Typography

Creation of a new font or font family.

REGISTRATION PROCESS

Registration online only at:

<http://adceuropestudent.awardhub.org>

5 steps to be followed:

1. Registration

User & Password. Please create a new user to log into the platform.

2. Create your Profile

Very Important: Please include the School /University as a credit.

Very Important: Please make sure that your ID or Passport n° are correct in order to generate the invoice for your submitted works.

3. Start Submitting your winning works!

Work's Submission

- Each entry form will be assigned an Entry ID number (*automatically generated by the system*).
- You can fill in the online entry form and make any changes you consider necessary up to the final registration deadline on 14th August 2026. No modification will be allowed after that date.
- Works submitted for judging in more than one category must be individually entered in each category. In order to facilitate the submitting process, the online platform will offer the option to duplicate the basic information (*title, description, credits, images, videos*).

Images & Videos

- All necessary images, videos or sound files for the submitted works must be uploaded on the online entry platform.
- Depending on the category (*see Formats, page 10*), entries are required to upload digital material only on the online platform.

REGISTRATION PROCESS

4. *Checking Process*

- As soon as the work is submitted it will have access to the “Approval Pending” status.
- The ADCE will review all works and check their eligibility.
- When approved, you’ll receive an email to allow you to start the payment process.

5. *Payment*

Payment has to be done before the deadline August 21st.

Note:

Entry forms and work descriptions must be clear and correctly spelled in English, as this information will it may be used for promotional purposes (*annual, exhibition, etc.*).

FORMATS & SPECS
